Poetry Evening – June 4, 2011

As part of the exhibition, the Greek-Australian Cultural League of Melbourne organised a poetry evening on Saturday June 4 at 6.30 pm at the gallery. The event coordinator was Dimitris Troaditis.

Two guest poets, Komninos Zervos and Koraly Dimitriadis were invited to read some of their poetry. That was followed by open mic, to give other poets the opportunity to read some of their own poetry. The evening was very successful and all people who attended expressed their wish for poetry reading events to be organised more frequently.
